## PROFESSIONAL OVERVIEW

I am a recent graduate with a Bachelor's in Studio Art and a Minor in Animation from San Francisco State University. I have over a decade of experience in visual storytelling, including creating concert flyers, album covers, and art show promotions. I have a strong background in digital photography and am proficient in editing with Photoshop, Lightroom, After Effects, Premiere Pro, and Illustrator. I'm passionate about using my skills to support community engagement and social justice initiatives through impactful photography and storytelling.
